Re: Gulfco Marine Maintenance Superfund Site, Freeport, Brazoria County, Texas
SSID No. 06JZ

Dear Mr. Glick:

The U.S. Environmental Protection Agency (EPA) requests information and documents from J&S Contractors, Inc., relating to the Gulfco Marine Maintenance Superfund Site (Site), located in Freeport, Brazoria County, Texas. Obtained information will aid the EPA in its investigation of the release or threat of release of certain hazardous substances, pollutants or contaminants at this Site. J&S Contractors' response will also help the EPA develop a better understanding of activities that occurred at the Site.

Your company is receiving this letter because documentation in the EPA's possession shows you may have had a business relationship with one or more of the owners and operators of the Site. This information request is not a determination that your company is responsible or potentially responsible for contamination that occurred at the Site. If the EPA determines that your company is responsible or potentially responsible for response activities at the Site, your company will receive a separate letter clearly stating such a determination as well as the basis the EPA has for the determination.

The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) Section 104(e), 42 U.S.C. § 9604(e), gives the EPA the authority to require J&S Contractors to respond to this information request (see Enclosure 1). We encourage your company to give this matter its full attention, and ***we request J&S Contractors respond to this request for information within thirty (30) days of its receipt of this letter.*** Failure to respond to this information request within thirty days of receipt of this letter may result in the EPA seeking penalties of up to \$37,500 per day of violation. In addition, furnishing false, fictitious or fraudulent statements or representations is subject to criminal penalty under 18 U.S.C. § 1001. You may designate another official of J&S Contractors with the requisite authority to respond on behalf of the company.

Please provide a written response to Mr. Kevin Shade, Enforcement Officer, at the address included in the Information Request. Please refer to the enclosures below, which include important instructions and definitions, as well as the questions for response, in the preparation of your reply to this Information Request.

If you have any questions regarding this letter, contact Mr. Shade at (214) 665-2708. For legal questions concerning this letter, please have your legal counsel contact Ms. Anne Foster, Assistant Regional Counsel, at (214) 665-2169. Thank you for your attention to this matter.

Sincerely yours,

Wren Stenger, Associate Director
Technical and Enforcement Branch
Superfund Division
